Some people fall in love
I've just been 'round the edges
I'm still not really sure
'Bout what it is and how to get it

Is love by chance or seduction
All that I have are vague assumptions

Of what love must be like
And what love must feel like
Tell me what does it look like
Is it as beautiful as you?
Is it as beautiful as you?

I've never been in love
Does that surprise you?
Find myself alone
In the times where I don't want to be alone

It's not that I'm scared of going too deep
It's just I'm no good at pretending
Starting or ending
Casually I'm imagining

What love must be like
And what love must feel like
Tell me what does it look like
Is it as beautiful as you?

Make it as beautiful as you
Make it as beautiful as you

Why can't it be like that
I wanna know, I wanna know

What love must be like
And what love must feel like
Tell me what does it look like
Is it as beautiful as you?
Is it as beautiful as you?

Make it as beautiful

Make it as beautiful
Make it as beautiful as you
As you, as you
