I'm drunk as the devil,
I'm lit up like a church,
You look incredible tonight,
So damn good it hurts.
Let's comfort each other,
See the world through glassy eyes,
Let go of the (?)
Come home with me, I'm okay to drive
Climb inside and...

Let's pretend that we're happy,
Let's pretend we're smart,
Let's pretend that we're naked
For reasons of the heart.
My darlin' I've been drinkin',
I'm sinkin' like a stone.
So lie with me a little
Cause I can't lie...
I can't lie alone.

I'm drinkin' my usual,
But I'm drinkin' unusually fast.
Life is beautiful
When you're looking at it through the glass.
Let's get hysterical,
Let's get lively out of control,
Tangled in terrible,
And honestly nobody has to know.

Let's pretend that we're happy,
Let's pretend we're smart,
Let's pretend that we're naked
For reasons of the heart.
My darlin' I've been drinkin',
And I'm sinkin' like a stone.
So lie with me a little
Cause I can't lie...
I can't lie alone.

Tonight I'll float down whiskey river,
And wake up having done things that I
Would not consider.

Let's pretend that we're happy,
Let's pretend we're smart,
Let's pretend that we're naked
For reasons of the heart.
My darlin' I've been drinkin',
And I'm sinkin' like a stone.
So lie with me a little
Cause I can't lie...
I can't lie alone.
I can't lie alone.
