We left the party early, we had somewhere else to be
We parked the car on a dark side street
The car was better than any bar or hotel suit
We agreed, sweet Dominique
And you opened like a flower in the heat
Your beauty on my eyes, like a masterpiece
Never has skin tasted so sweet
As for you and me, sweet Dominique
And you said:
"Oh, I didn't know that we could go so many kisses
deep"
We were face to face and lips to lips and heat to heat
And you said:
"Oh, I didn't know that we could go so many kisses
deep"
Sweet Dominique

And our temperature was rising to our cheeks
Our clothes began to wrinkle like bed sheets
And if love was a mountain, you took me to its peaks
So to speak, sweet Dominique
And you said:
"Oh, I didn't know that we could go so many kisses
deep"
We were face to face and lips to lips and heat to heat
And you said:
"Oh, I didn't know that we could go so many kisses
deep"
Sweet Dominique

And I said:
"Me, I didn't know that we could go so many kisses
deep"
We were face to face, eye to eye, skin to skin, heart to
heart
Soul to soul, love to love and heat to heat
And you said:
"Oh, I didn't know that we could go so many kisses
deep"
We were face to face and lips to lips, heat to heat
And you said:
"Oh, I didn't know

Oh, I didn't know
Oh, I didn't know that we could go..."
