Girl, you wanted
To shut it all off and make a run for the door
Its so hard
To make it,
For every inch you get we to need a mile more

But there is always so much distance can't but feel it
some how
But you have never ever felt it like you feel it right now
I'm closin off inside and oh it's only just started
And you can't be close enough unless I'm feeling your
heart beat

All of your love
Was all that I needed
All of your love
Was all that I needed

Girl
What are you doin' now?
And are you going out?
Or has your life shut down?

Are you there?
This string keeps cutting out
I feel I'm freaking out
But we'll keep reaching out

But there is always so much distance can't but feel it
some how
But you have never ever felt it like you feel it right now
I'm closin off inside and oh it's only just started
But you can't be close enough unless I'm feeling your
heart beat

All of your love
Was all that I needed
All of your love
Was all that I needed

Girl
It's hard enough

just to move around
It's hard enough
Just to move around

All I wanted you
All I wanted you
All I wanted you, to move
All I wanted you
Girl I wanted you

All I wanted you, to move
Around
Around
All of your love
Was all that I needed
All of your love
Was all that I needed

[Repeat till end]
