Sexin' on the dance floor  
Gettin' hot hot sexin' on the dance floor  
Gettin' hot hot sexin' on the dance floor

You got me lookin'  
Dancin' like she don't give a damn  
Her body's workin'  
Bumpin' to the sound of my jam  
She got me sweatin'  
And she don't even know who I am, I am, i-i-i a-am

She got me slippin'  
And I ain't even drinkin' tonight  
I'm feelin' dizzy  
And I ain't even tipsy  
I've been thinkin' 'bout you baby baby,  
All night we're all singin'  
1, 2, 3, 4 sexin' on the dance floor!

I don't know what your daddy would do girl  
The way you work it babe, makes me wanna misbehave  
I don't know what my daddy would do boy  
If he saw me hardcore, sexin' on the dance floor  
Oho-oh-oh you're the girl I've been lookin' for  
Oho-oh-oh caught sexin' on the dance floor  
Oho-oh-oh you're the girl I've been lookin' for all night

Gettin' hot hot sexin' on the dance floor  
Gettin' hot hot sexin' on the dance floor

Hot 'n sweaty, I think it's time we take off our clothes  
We're in the bedroom, she's movin' like we're still at  
the club  
Your daddy's callin', I think it's time you turned off your  
phone, your phone, your ph-o-o-o-ne

You're so erotic, and every little thing that you do  
We're gettin' naughty, and we ain't even tipsy  
I've been thinkin' 'bout you baby baby,  
All night we're all singin'  
1, 2, 3, 4 sexin' on the dance floor!

I don't know what your daddy would do girl  
The way you work it babe, makes me wanna misbehave

I don't know what your daddy would do girl  
Oh I don't really care, love it when you pull my hair  
I don't know what my daddy would do boy when  
1, 2, 3, 4 sexin' on the dance floor!

I don't know what your daddy would do girl  
The way you work it babe, makes me wanna misbehave
