Eminem [Tony Yayo] Verse-
When me and Fif got together to do this music
the more we became enveloped we just developed a
fellowship through it (Haha)
it's no pretend shit, it's friendship, me nemesis is your
nemesis
ain't for him, it's just media, see to them it's just
images [Come On!]
but this shit is no gimmicks, this is blood in and blood
out (Whoooo!)
when it's beef you jus' gotta know when to butt in and
butt out
if there's a problem we solve it, if we don't resolve it
it just usually jus' evolves into one big brawl and we all
get involved in it [Yeah!]
we should all get a merit, this much beef we inherit
and wear it like a badge with honour, pass it around
and share it
and let it go to whoever's holdin' the most current peep
on their shoulders
and their soldiers got their backs till it's over
but tonight, we ain't comin' here to beef with nobody
we came to party, Banks, Cashis and Mr. Ferrari
so it's Shady After-mizz-ath back in that ass, you izz-
ass [Yeah.. Come On!]
come hizzere what kinda fizz-uckin' position is that..
(Haaa!)

50 Cent [Eminem] {Tony Yayo} Chorus-
Who run it? [You know, you actin' like you don't know]
I tear the club up fo' sho

know]
I tear the club up fo' sho
[This flow is gon' bring more dough]
And you know but actin' like you don't know {Cashis,
Break It Down Now!}

Cashis [Tony Yayo] Verse-
Pistol play, ricochet, see where the victim lay

slumped over bleedin', JFK
HK to your chest plate
cave out and ride till the death, do you rep that way
forever i'ma be a Shady 7-4 Gangster
plus i survived everything you got in that chamber
i thrived off-a danger, jumpin' in all beef
you keep talkin' shit, now the squad called me..
[Banks!]

Lloyd Banks [Tony Yayo] Verse-
Enough holdin' back the steam (Uh), Em let off a
magazine
Dappadon Cappa-queens, mixed in with Cashis Creams
(Yeah)
started off with half a dream, developed into what you
see
tellin' ain't my cup of tea, can't tell i'm a fuckin' G [Uh
Huh!]
i'ma hold a 'Matic, when i'm at it, start static and you
splattered
shit shattered, i'm a walkin' bitch magnet [Oh!]
spit it how i live it, live it all the way to the limit
and i'm always on my pivot for my digits, you dig it..
[Come On!]

50 Cent [Tony Yayo] Chorus-
We run it! You know, you actin' like you don't know
[Whoa!]
I tear the club up fo' sho [Fo' Sho!]
This flow is gon' bring more dough [More Dough!]
