I wanna be like Harry Houdini  
And be the one to make the great escape  
I wanna be where no one'll see me  
You've gotta learn a lesson give and take.

I wanna be where lovin' is easy  
If I could go it wouldn't be a dare  
Cause when you look in my eyes  
How can you not realize  
That I could go and couldn't give a care.

I wanna be like Harry Houdini  
Where there ain't nothin' that'll keep you in  
I wanna be where no one'll see me  
Can't find a way to say I can't begin.

And when I'm gone I know how you'll  
miss me  
How could there ever really be a doubt  
Cause when you look in my eyes  
How can you not realize  
That you could never really be without.

How much more can I believe in  
The Things they say  
I'm past the point, I'm leavin'  
I gotta get away.

Why should you try to change me  
You never will  
My past comes back to chase me  
I won't be happy till

I wanna be like Harry Houdini  
And be the one to make the great escape  
I wanna be where no one'll see me  
You've gotta learn a lesson give and take.

I wanna be where lovin' is easy  
If I could go it wouldn't be a dare  
Cause when you look in my eyes  
How can you not realize

That I could go and couldn't give a care.

I wanna be (I'm gonna be)  
I gotta be (I oughta be)  
Just like Harry Houdini
