Uhh, Uhhh  
I can't believe it  
When I got home last night  
Somethin' didn't seem right  
I think I know what's been goin on  
There's been another ho in my home

Cigarettes in the trash  
He doesn't even smoke  
Two glasses in the sink  
The Dawn is still cold  
Trojans come in three, but one is gone  
Hell naw  
Said I know what's goin on

Chorus(2x's)  
My man's been cheatin on me  
My momma told me they'll be days like this  
My man's been cheatin on me

Verse 2:  
How could he do this to me  
Turn around and smile in my face  
While he was out with somebody else  
Doin' her in my place

Cigarettes in the trash he doesn't even smoke  
Two glasses in the sink the Dawn is still cold  
Trojans come in three, but one is gone  
Hell naw I said this brotha's got to go

Bridge:  
what am I suppose to do when I put my trust in you  
Now what am I suppose to say when you gave my love  
away  
I gave you all my love repaid me with your lies  
Not checkin for your games  
dont wanna hear no alibis  
now that I just can't take it no more  
Cheatin on Cheatin on  
Cheatin on Cheatin on me  
Creepin on Creepin on

Creepin on Creepin on me

Repeat Chorus (3x)
