### Verse 1

We both made the same mistakes  
And believe me, I know it  
I've come to depend on you  
In my eyes, can you see?  
That someone's still hurting me  
What can I say that will make up, for letting you down?  
I just want you to know so

### Chorus

Come back (Come back) if you love me  
How will I survive without you?  
B vocal (I'm no good without you)  
Baby come back (Come back) if you need me  
Maybe I was wrong, and I tried to pretend but,  
Always in my heart, I know that I want you  
Come Back

### Verse 2

Tomorrows another day, still I,  
Can't believe that I told you  
And that was my big mistake  
Every hour, every day,  
What can I do to make it through?  
Oh the days seem so long  
I miss you so bad  
And it's breaking my heart  
So come back

### Chorus

Come back (Come back) if you love me  
How will I survive without you?  
Baby come back (Come back) if you need me  
How will I survive without you  
Baby come back (Come back) If you need me  
Maybe I was wrong, and I tried to pretend but,  
Always in my heart, I know that I want you  
Come Back (come back)

Before you break my heart
