I haven't loved right since you left
I forgot what it means to love someone to death
I haven't loved right since you're gone
I know the feeling's still there but I just can't turn it on

Woe is me and pity on my soul
I'm so alone since you've been gone
Woe is me, I've been waiting by the phone for way too
long
I can't move on
Whoa, whoa, whoa

I haven't loved right
Everything is wrong
Whoa, whoa, whoa
I haven't loved right
Everything is wrong
Since you've been gone

I haven't loved right, my heart's empty
I feel like an old tree, I'm as hollow as I can be
I haven't loved right 'cause I can't
It's not like I don't want to but my heart is still missing
you
Woe is me and pity on my soul
I'm so alone since you've been gone
And woe is me, I've been waiting by the phone for way
too long
I can't move on
Whoa, whoa, whoa

I haven't loved right
Everything is wrong
Whoa, whoa, whoa
I haven't loved right
Everything is wrong

I wish I could hold you in my arms again for one more
night, baby
And I wish I could be the one you're in love with just one
more time, one more time

(Whoa, whoa, whoa)
(I haven't loved right)
I haven't loved right without you baby, baby, baby
(Whoa, whoa, whoa)
(I haven't loved right)
Without you in my life
Haven't loved right
Haven't loved right
