If you got kids back home, I wanna know
If you don't, I wanna know
If you're straight or you're ain't, I wanna know
If you're broke, I wanna know

I wanna know, I wanna know, I wanna know
I wanna know, I wanna know, I wanna know

If you wanna be with me, I gotta know
What you doin'? Where you goin'? What you havin'?
Who you love? Who you like? Who you're seein'?
Before I let you in

'Cuz I learned from my past, oh yes, I did
Met a guy that I liked, he was my type
But he lied 'bout his wife
And he tried to play me, play me

Now how long was he gone
Way before he told me 'bout that
I can't believe he did me like that
Something I should've known, oh yeah

But I've learned my lesson
Not again will I be naive
I need to know the secrets y'all keep
'Cuz what I don't know could come back on me

If you got kids back home, I wanna know
If you don't, I wanna know
If you're straight or you're ain't, I wanna know
If you're broke, I wanna know

I wanna know, I wanna know, I wanna know
I wanna know, I wanna know, I wanna know

If you wanna fall in love, gotta be aware
'Bout the life that your lover's been leadin'
So you know if they gonna be schemin'
Or if they gonna dog you out

'Cuz I know I've had my share, oh yes, I did

Did me wrong, stayin' at some woman's place
I'm scared he was not a closet case
Still was cheatin' but not that way

Now how long was he gone
Way before he told me 'bout that
I can't believe he did me like that
Something I should've known, oh yeah

But I've learned my lesson
Not again will I be naive
I need to know the secrets y'all keep
'Cuz what I don't know could come back on me

If you got kids back home, I wanna know
If you don't, I wanna know
If you're straight or you're ain't, I wanna know
If you're broke, I wanna know

I wanna know, I wanna know, I wanna know
I wanna know, I wanna know, I wanna know

Ladies, oh, ladies
Gotta know the partners he's had
So later on you won't be mad
Findin' out what you don't know

And fellas, oh, fellas
Check for that Adam's apple
So you won't be on no talk show
Findin' out what you don't know

If you got kids back home, I wanna know
If you don't, I wanna know
If you're straight or you're ain't, I wanna know
If you're broke, I wanna know

I wanna know, I wanna know, I wanna know
I wanna know, I wanna know, I wanna know

If you got kids back home, I wanna know
If you don't, I wanna know
If you're straight or you're ain't, I wanna know
If you're broke, I wanna know

I wanna know, I wanna know, I wanna know
I wanna know, I wanna know, I wanna know
I wanna know, I wanna know, I wanna know
I wanna know, I wanna know, I wanna know
I wanna know, I wanna know, I wanna know
