At One Time Things Were Really Sweet Between Us
But Then It You Know It Went Real Sour ooo Baby
I Miss You But Really I Miss It

I Really Do...o...(I Really Do)
And I Can Tell That You
Are Missing Me To
(I Can Tell Your Missing Me)
I Know You Moved On
And Gotta New Girl (Girl Girl Girl)
But Dont You Wanna Visit My Kandi Koated

Uh Just Twist Me Up Like Licorice Baby
And You Could Be My Lollipop Alnight
You Used To Be My Suger Daddy Baby
But Now I Guess Your Someone Elses
Someone Elses Candy
She so She so She So Lucky
I Know I Know because I Taught You
Everything You Know (She So Lucky)

Huh I Think It Unfair Because I Had You First
And I Think I Should Be The One Who Lucky
