Lucky

Man, I'm so lucky

Damn, she get to have it every day

What a lucky girl

Ooh, well, tonight I'll take her place

I'm a lucky girl

Damn, do you spread her legs this way?

What a lucky girl

Ooh, you're the king at this foreplay

I'm a lucky girl

I know you got a girl and I know I'm wrong

But a hard man's good to find

And she gets to have it all year long

So can I just get tonight?

Man, I hit the lotto

It's like I rubbed a genie in a bottle

And if I don't see you tomorrow

I'm not mad, I'm such a lucky girl

Man, I'm so lucky, lucky, lucky, lucky

(Ooh, I'm so lucky)

Lucky, lucky, lucky, lucky

(Man, I'm so lucky)

Lucky, lucky, lucky, lucky

(I'm such a lucky girl)

Damn, she get to have it every night

What a lucky girl

Ooh, boy, you hit that spot just right

I'm a lucky girl

Damn, you're hanging mighty low

What a lucky girl

Ooh, your skills are like a pro

I'm a lucky girl

I know you got a girl and I know I'm wrong

But a hard man's good to find

And she gets to have it all year long
So can I just get tonight?

Man, I hit the lotto
It's like I rubbed a genie in a bottle
And if I don't see you tomorrow
I'm not mad, I'm still a lucky girl

Man, I'm so lucky, lucky, lucky, lucky
Lucky, lucky, lucky, lucky
(Man, I'm so lucky, baby)
Lucky, lucky, lucky, lucky

Ooh, I'm loving everything you do
So I'mma put it down for you
I got a special treat for you
So I guess that makes you lucky too

Ever since you made your move
Honey, I feel like I found my four-leaf clover
I'm in the zone
I hate to send you home
But, man, I'm so lucky
Man, I'm so lucky

(I'm such a, I'm such a lucky girl)
Man, I'm so lucky, lucky, lucky, lucky
Lucky, lucky, lucky, lucky
Lucky, lucky, lucky, lucky
(I'm such a lucky girl)

Yeah, the way you put it on me
I'm so lucky, yeah
Lucky, lucky
