Oh, oh, oh  
I planned it all to stay away  
Thought maybe if I gave you space  
Then you would miss me more and more each day  
Got a surprise, here I stand  
Dumb and denying  
Every single word that you just said

Chorus  
No you didn't say  
Back up  
Back up off me  
Letting go ain't that easy  
No you didn't say  
Let go  
Of all my emotions  
And all the hope I have for you and me

It's crazy cause  
You'll never know  
My body just lost all control  
My knees are weak and shaking helplessly  
And I try to laugh  
And play it off  
But the tears  
They rush down my face  
For some reason I couldn't hear a thing

Chorus

Why? Oh why?  
Did I come to you today?  
I knew your love had faded  
You gave me all the signs  
Why? Oh why?  
Did I pull my heart to you?  
I guess I needed closure that way

Chorus

Yeah, it's crazy babe

I'm emotional over you  
I wanna wake up and call you  
But I know its wrong  
Cause you, you don't love me no more  
And I still can't believe, oh, oh, oh, oh

Chorus

Oh yeah
