Heh, I was over at the studio when I got your page
Said you need to talk to me
So I'm here, what's up

Eeny-meeny-miney-moe
Caught your ass right by your toe
Hanging out with some H-O
Thought I wouldn't know
Well it looked to me like you were free
You told me that you be busy
I'm not the one to wait around
So this is how it all went down

You were leaving at 12:00
I was leaving at 12:02
And that ain't cool
But I was with some other dude
So I dipped when I saw you
You were leaving our favorite spot, baby
Or so it was I thought, baby
It's crazy
But who's to blame
When game recognizes game

You said that you
Were at your boys house
Pants on fire
Liar Liar
I said that I
Was asleep, but I lied
Pants on fire
Liar Liar

You said that you
Were working all night
Pants on fire
Liar Liar
I said that I
Never called that guy
Pants on fire
Liar Liar

Nanny-nanny, boo-hoo
You just mad cause I caught you
Thought I was some type of fool
So I did what I had to do
And
I don't know how
But you forgot
When you're out in the club
Don't think I'm not
You're not the only one getting hot
Yeah, I'm blowing up your spot

You were leaving at 12:00
I was leaving at 12:02 when I saw you
So how could you have an attitude
When you do the same thing I do
My intentions were to stop, baby
Before it went too far, baby
It's crazy
But who's to blame
When game recognizes game

You said that you
Were at your boys house
Pants on fire
Liar Liar
I said that I
Was asleep, but I lied
Pants on fire
Liar Liar

You said that you
Were at your boys house
Pants on fire
Liar Liar
I said that I
Was asleep, but I lied
Pants on fire
Liar Liar

We said, we lied
Who's wrong?
Who's right?
You're a liar
A big liar
Oh yeah

You said that you
Were at your boys house
Pants on fire
Liar Liar

I said that I
Was asleep, but I lied
Pants on fire
Liar Liar
