Smokin on blows in all 3 rows
If I get it low I can call in mo
And I got hoes and all new clothes
Everything I own less than 2 days old

Smokin on blows in all 3 rows
If I get it low I can call in mo
And I got hoes and all new clothes
Everything I own less than 2 days old

Gonna find my career is too
When your dick is long, yea ho know you
Like my word be the scripture, everything true
Used to million dollar figures, what the fuck they call
you?
A million dollar nigga screamin blood all blue
6 points to the left, do what I want to...true
Now Bogus smoking sips by the bees..daily
No Gucci but G's on me..baby
I be chillin with my lady when I ain't with the crew
But I thought this was on my crazy case, I run into you
Bitch niggaâ€¦ death round the corner
For you 2 words, quoted "Tt's Over"
Hundred round clip on the shoulder
When I'm in the Rover, talkin with foot soldiers
Laughin at the posers, all the hoes chose us
Soon as I roll up, bitches start roll up

Smokin on blows in all 3 rows
If I get it low I can call in mo
And I got hoes and all new clothes
Everything I own less than 2 days old

Smokin on blows in all 3 rows
If I get it low I can call in mo
And I got hoes and all new clothes
Everything I own less than 2 days old

Straight OG, when you see me
I'm so rolling, Popo can't see
My eyes can't hide this potency

You're the BBC, I'm the BBG
Smoking with my bitch in the whip
Kool-Aid blow, she put down the drow and smoke on
my dick
No seats, no sticks, real shit
If you ain't OG get up out my whip...bitch (Get Out!)
Ain't no love with yo low bud
You smoke humble, get the fuck out
Every day, I have myself a little smoke..out
Windows rolled down 4 miles...clouds
Dick up in ya butt, up in ya gut, up in ya mouth
Licking sticking suckin, that's what sex is all about
I'm tryina smoke a quarter pound before I'm passin out
I'm about 3-6 down

Smokin on blows in all 3 rows
If I get it low I can call in mo
And I got hoes and all new clothes
Everything I own less than 2 days old

Smokin on blows in all 3 rows
If I get it low I can call in mo
And I got hoes and all new clothes
Everything I own less than 2 days old

In case you didn't know, it's Bogus baby
In case you didn't know, it's Bogus baby
In case you didn't know, it's Bogus baby
In case you didn't know, it's Bogus baby
