"Tame"

Today is something different
It's not about being free
The air is filled with desperation
And you suck here with me
Today it's something different
I don't know what it is
It seems that all my passion
Fades away with every kiss

And all I wanna do
Is getting home with any wave
Cause I got a lot of bills
And now it's time for you to pay

Hey yeah!
It seems that I am stranded here
And the person I should blame
Is oh so tame

Hey yeah!
I think I'm running out of tears
And the person I should blame
Is oh so tame
