[Intro: Ca\$his]

Shady Records own, bogus boy
Ca\$his, it's Ca\$his nigga, ah-ha ha
I'm here, right back on y'all, nigga
Blocc Boyz, what the bid'ness is, nigga
Seven-fo', let's go!

[Ca\$his:]

In this industry, a fifth of Hennessy
I'm tryna get with the bid'ness so where the bitches be

When I flick the Vogues, I'ma get the hoes
In a seven-fo' Lincoln black, two do's
Hope to strap shorty, take a ride with Ca\$his
If a nigga look wrong you gon' let him have it
Say, what's your name? What kind of set you claim?
I'm seven-fo' now
