So, come on now
Come on now
Come on now

So I'm looking for the rightful, let me in
Kick me, hit me, don't you know I always win
Heaven help you, heaven knows what's on my mind

Oh, as long as you want this

Here's my answer, here's my one and only truth
Here's the reason why I'll give my word to you

Oh, so just this once, I want it all this time
As far as I remember the chains were always ending
But life is never ending

Oh no, I, so as long as you want this, I have to let you know
If you want this, I have to let you know
This much is true, I'll never change, I'll never stop
I'll never change, this time I'm gonna take you down

Oh, come see me, oh come hear me, I'm your man
Oh, come feeling, what I give is what I am

Oh, so just this once, I want it all this time
As far as I remember the chains were always ending
But life is never ending

No, no, so as long as you want this, I have to let you know
If you want this, I have to let you know
This much is true, I'll never change, I'll never stop
I'll never change, this time I'm gonna take you down
Oh, gonna take you down, oh come on

No, no, no, no, no, no
As long as you want this, I have to let you know
If you want this, I got to let you know
This much is true, yeah, I'll never change

Give it to me, give it to me, yeah, I'll never change
Won't you give it to me, give it to me, yeah, I'll never
change
This time I'm gonna take you down
