"No Surrender"

I was up, I was down,
I felt almost everything.
I was lost, been around,
still no hardly anything
get my feet on the ground
and the heart of everything (It's just the way that I want
it)
It's just the way that I want it

Like a shark, for the bait.
You have been always waiting there.
Everytime, just too late.
Now at last you're standing there
What a fool what a shame
and the heart of everything (It's just the way that I want
it)
It's just the way that I want it

Tonight's tonight
Time to leave the pressure behind
There's no surrender, no

In the heart, at the root,
There's always something now.
In disguise, understood,
And the blame for someone else,
The time I will find
Was the heart of everything (It's just the way that I want
it)
It's just the way that I want it

I don't know why
I guess it's just a matter of time
But there's no surrender, no , no surrender.

It's just the way that I want it

Tonight's tonight
Time to leave the pressure behind
There's no surrender, no
There's no surrender, no
There's no surrender, no surrender

I was up, I was down
