From this day on,
I will be there for you.
From this day on,
The crosses that I'll bear,
I will now bear for you.

From this day on,
The choices that I'll make,
Are the choices for our unborn children's lives.
Oh, Oh, Oh...for the day has come,
When our hearts will beat as one.

From this day on,
My life will never part,
From what I see in you.
From this day on,
Vows taken from the heart,
I will be here for you.

From this day on,
These promises I make,
We're the fathers of our unborn children's lives.
Oh, Oh, Oh...for the day has come,
When our hearts will beat as one.

From this day on,
Your life won't be the same,

Cause I'm here for you.
So take it all,
Take everything I own,
Cause it's here for you.

From this day on,
Our blood will never part,
We're the mothers of our unborn children's lives.
Oh, Oh, Oh...for the day has come,
When our hearts will beat as one.

From this day on,
Your life won't show a sigh,
Of what they've done to you.

From this day on,
Forgiveness springs from blame,
And it's here for you.

From this day on,
Our lives will never part,
It's the promise to our unborn children's lives.
Oh, Oh, Oh...for the day has come,
When our hearts will beat as one.
