f this could be r.e.a.l.
If this could be real tonight
Then ooooh... yeah, yeah
The way that I feel
And the way that I feel tonight
Ooooh... yeah
If this could be r.e.a.l.

I said, Hey now,
Turn up the sound
Oh, I sure am pleased to meet you
Let's take it way down
Up of the ground
To the place where you wanna be

Let the DJ spin us around
Make sure that I wanna see you
And when they say now
Bring it down
We'll say, Fuck that
I think I'm gonna stay high

If this could be r.e.a.l.
If this could be real tonight
Then ooooh... yeah, yeah
The way that I feel
And the way that I feel tonight
Ooooh... yeah
If this could be r.e.a.l.

And I say, hey now
Turn up the sound,
Oh I sure am pleased to meet you
Let's take it way down
Up of the ground
It's the place where you wanna be yeah

Let the DJ spin us around
Make sure that I wanna see you
And when they say now
Bring 'm down

We'll say, Fuck that
I think I'm gonna stay high

(Fuck that)

I say, hey now
Turn up the sound
Oh I sure am pleased to meet you
Let's take it way down
Up of the ground
To the place where we wanna be yeah
Let the DJ spin us around
Make sure that I wanna see you
And when they say now
Bring 'm down
We'll say, Fuck that
I think I'm gonna stay high

And I say, hey now
Turn back around
I'm sure that I wanna see you
And oh yeah, fuck that
I think I'm gonna stay high
