Somebody better find some answers
Somebody better learn along the way
Somebody better be pretentious
Somebody better try along the way

And how long can this go on?
How long before it breaks up
How long

I wanna scream
Oh yeah
I want you to know me
I wanna scream
Oh yeah

Somebody better find some answers
Somebody better try to mend the ways
Somebody better take your chances
Somebody like you along the way

For how long can this go on?
How long until we wake up
How long

I wanna scream
Oh yeah
Want you to know me
I wanna scream
Oh yeah

I wanna scream
Oh yeah
Want you to know me
I wanna scream
Oh yeah
I know you can show me
I wanna scream
Oh yeah
