Love come take me for a ride tonight  
Take me all the way to the stars at night  
Take me to heat with the speed of light  
Take me to the arms of Vegas  
Sweet like honey meltin' over me  
Twenty-four seven so tempting  
You're love is like a freight train running me down  
So let it flow through me  
Everything 's fine  
In every way we'll make it  
Tell me why my heart beats so fast  
Like anyday you'll take it  
Ooh..  
Sweet little nothin' with your coco smile  
Run right over me baby  
Sugar 's got me tied up strangled for life  
Don't want to pull over  
Everything 's fine  
In every way we'll make it  
Tell me why my heart beats so fast  
Like anyday you'll take it  
Ooh well..  
Sometimes you're oh so cruel  
Sometimes you fake it  
Love 's pumpin' trough my veins  
And I'm so glad you made it  
Yeah, yeah, I'm so glad you made it  
(So glad you made it)  
Oh come on now (6x)  
Sometimes you're oh so cruel  
Sometimes you fake it  
But love 's pumpin' trough my veins  
And I'm so glad you made it  
Well I'm so glad.. so glad..  
So glad you made it  
Well I'm so glad.. so glad..  
So glad you made it  
Yeah, yeah, yeah (etc)  
So glad you made it
