Really it ain't so bad,
How come you run so far ahead?
What's gotten in your head?
I know it ain't much,
It ain't much.

Oh, And now your heart is hurt.
I know you took the blow,
When there was no one left to rescue you.
Oh, I know your heart is hurt,
Give it one more try before you let go.

Really it ain't so bad,
Why would you crash and burn what's left?
And driving away so fast,
I know it ain't much,
It ain't much.

Oh, And now your heart is hurt.
I know you've gotten used,
To getting anything you ask for,
Oh, I know your heart is hurt,
Give it one more try before you let go.

Tough,
You're not so tough.
So don't act so tough.
Oh!

Oh!
Oh, And now your heart is hurt.
I know you took the blow,
And there was no one left to rescue you,
Oh, I know your heart is hurt,
Give it one more try before you let go! Yeah!

Give it one more try nohow!

Oh, I know your heart is hurt,
Give it one more try before you let go.
