But all they want to do is see some gangster dick  
This gangsta shit it's takin' the whole world by swarm  
You should a seen how many bitches came to see a  
nigga perform

They swarm the stage, the minute we hit it  
And as soon as p said "uh", the bitches got wit it  
Since I'm new with no limit soldiers, I stay in the cut  
New face on the block, so I get all the cock  
Silky slim is what they call me, cus I'm so low key  
When y'all niggas in my town, nigga, hoes on me, for  
real  
Respect game, do the same when I'm on your turf  
So many bitches k.l. for shit what they worth  
You can smoke a little bit of this from the w.s.  
You doin' it with the d-o-double g, so you can tuck that  
stress  
Oh yes, nigga that's how we does it  
You like doggy dog, well I like you too, and your cousin  
We bustin' like a motherfucker in this presidential suite  
With two bad bitches, I ain't gonna give a fuck about  
next week

[Chorus]

Bitches, bitches, bitches  
Yah, I'm fuckin' with these out of town bitches  
Bitches, bitches, bitches  
Yah, I'm fuckin' with these out of town bitches

[Kane and Able]

Every other city we go, we fuck thems' pimpin' hoes  
Some Louie Ville, to Little Rock, Atlanta, to Chicago  
I like them hoes big fine and slim in the waist  
Tattoo on her titty, lookin' jiggity with the pretty face  
Backstage at the concert ass bulgin' out the miniskirt  
I'm Kane that's able, you want to put in some worth  
That's a g-string you got on, boy you know your wrong  
Bring your girls to 15-0-5 I can't talk long  
Hay yo' snoop, these bitches goin' fuck tonight  
Grab the rubbers and the weed, I got the Champaign  
and the ice  
And if you come in my room, your commin' to fuck  
Take your draws off and shut up till I bust me a nut  
From the East Coast to the west, Midwest, to down  
south  
These out of town bitches gettin' dick in they mouth  
Yo', I'm all about manage et toi  
Catch me in action, bangin' like a porno star

[Chorus]

[Kane and Able]

Yo' Kane I seen her first, so you roll, don't be a hater  
?? I'm gonna play her later, after I fuck her we can  
switch later  
I met this bitch, I'm gonna keep her name on the low

Put my dick in her mouth bout as deep as it could go  
It's 2 a.m., fuckin' yea till 10  
Tell your man back at home, hey boy were only just a  
friend  
Like them college girls, with the funny accent  
Now I got your ass bent, in my boys apartment  
Don't look surprised I'm one of them ?? Rapper master  
p  
Before you blink your eyes, you gonna' be fuckin' me  
and see  
I'm tired of seein' the same OLE hoes, that my niggas  
dun' fucked before  
There ain't nothing like new pussy, on the road, after a  
show

[Chorus]
