Gang-bangin murder with the killin, stackin Phillys to

and I'm rolling with New Orleans,

what the fuck enemies gonna bring to the table?

I'm gonna train to slain you

Rollin with my gangstas Kane and Abel

In pain can you sustain them cables hooked on your  
back

who got you charged? Wanna get the mac off guard?

Nigga I don't know you so you better come hard

get your nieces, nephews, and cousins

takin bunches all of the sudden, who them niggas thats  
southern?

all the bullshit haters talking, I aint stuntin

we're gonna be ballin never fallin rollin hundreds in a  
600 benz

steady stackin ends hit the block on 10, rollin with the  
twins

merciless thugs, bustin off slugs,

so your family didnt know where you was

breakin the motherfuckers off for the set dub 2000

It happened to lack for the love what?

No fear strike first

Gonna roll, strike first, don't fit,

to the death, gotta ride til we die

we the one, then if you gotta try,

hollow points gotta fly, so holla bye, shorty don't cry

hold yo chest up, you about to get touched

That's what you get for bein a hoe
