I was born with a shotgun in my hand.
A street tough kid trying hard to be a man.
Metal-studded.
Flat-busted.
Bad-blooded and I can't be trusted.

Outlaw, I'm out of love, out of time.
Outlaw, yeah.
Outlaw, I'll make you walk the line.

I caught a rock shock when I was seventeen.
I took a hairpin turn into the devil's lane.
No tomorrow.
Live for right now.

Gonna get it anyway, anyhow.

You see me comin' don't get in my way.
The beast within me.
Will cut you down, you'll see my blade.
You'll slowly fade away, fade away.

Outlaw, well I'm shot to hell.
Outlaw, I'll make you walk the line.
Outlaw, yeah.
Outlaw, well I'm shot to hell.
Outlaw, I'm out of love, out of time.
Outlaw, I'll make you walk the line.
