Up in the mornin' with a hungry heart.
Dynamite waitin' for the spark.
Stray cat scratchin' on the boulevard.
Shadows dancin' in the light of a falling star.

Women on the edge of love.
Gonna break another heart tonight.
Women on the edge of love.
Women on the edge of love.

Tight blue jeans stayin' out all night.
Hearts on fire under neon lights.
Won't stop playin' when the game gets rough.
It's a rock 'n' roll dream she just can't get enough
Of.

Women on the edge of love.

Gonna break another heart tonight.
Women on the edge of love.
Women on the edge of love.

Women on the edge of love.
Gonna break another heart tonight.
Women on the edge of love.
She can't resist another bite.
Women on the edge of love.

Young girl out on her own.
Angry heart on fire, desire to burn.

Women on the edge of love.
Gonna break another heart tonight.
Women on the edge of love.
Women on the edge of love.
