You always want it when you can't have it.

So you wanna go crazy?
Burn your boring act to the ground.
Can't wait to bust out of town.
You can almost taste it.

Daddy's getting mean cuz he's drinkin'.
Mama doesn't want to get out of her bed.
You feel just like the living dead.
Cos your ship is sinkin'.

You want a piece of the action.
You want total satisfaction.
You've been kickin' and scratchin'.
But you ain't getting far, oh yeah.

You always want it, when you can't have it.
No no no you ain't giving it up.
You always want it, when you can't have it.
You can't stop trying cuz you know, you can't get
Enough.

Bad boys want salvation.
Good girls, want to walk the dirty streets.
You never get what you want it's the human condition.

Some people got it.
Some people got it coming.
You buy a ticket to heaven.
And you end up in hell, oh yeah.

You always want it, when you can't have it.
No no no you ain't giving it up.
You always want it, when you can't have it.
You can't stop trying cuz you know, you can't get
Enough.

Some people got it.
Some people got it coming.
You buy a ticket to heaven.

And you end up in hell, oh yeah.

You always want it, when you can't have it.
No no no you ain't giving it up.
You always want it, when you can't have it.
You can't stop trying cuz you know.

You always want it, when you can't have it.
No no no you ain't giving it up.
You always want it, when you can't have it.
You can't stop trying cuz you know, you can't get
Enough.
