Moment, you came to my heart just by chance
To me you don't seem to be a stranger
It was so long for you to finally find me

For 1000 years Iâ€™ve been waiting for you
More than million tears fall in eternal love
Remember forevermore,
We will stand for 1000 years

Sometimes i know it will not be easy with you
Until then i will pray for our true love
Don't ever forget, my love
We will be together
For 1000 years Iâ€™ve been waiting for you
More than million tears fall in eternal love
Remember forevermore,
We will stand for 1000 years

Don't say i don't want to hear you say good bye
Please promise me you will always be my love, my love

For 1000 years Iâ€™ve been waiting for you
More than million tears fall in eternal love
Remember forevermore,
We will stand for 1000 years
