Haley
No ones gonna care to you
Baby
I just wanna be with you
All I want to have you round my world
All I want to have you hand my arms
Baby wont you stay with me
You know I am end to you
End to you
Haley
No ones gonna care to you
Baby
I just wanna be some good
All I want to have you round my world
All I want to have you held my arms
Baby wont you stay with me

You know I'm end to you
End to you
For me to you
That's nothing you can do
For all things that I've done
For all things that I want
Nothings gonna change my mind
Nothings gonna change
All I want to have you round my world
All I want to have you held my arms
Baby wont you stay with me
You know I meant to you
Meant to you
