"Please"

I'm just a little boy, happy here alone
Playing with my toys till Daddy here comes home
Daddy's face looks mad I wish he didn't have
To kick me in the ass
And left me rolling down the stairs

Daddy Daddy please
Daddy don't hurt me
Don't you see the wounds?
Or do you like to see me bleed?

My Mama came one day, I said Mama Mama please,
Take Me far away, as far away from him
But Mama didn't cry, She looks me in the eyes
And hurt me up to down, didn't stop until I cried...

Mama Mama please
Mama don't hurt me
Don't you see the wounds?
Or do you like to see me bleed?
Please I'm begging you please please please?
