I could go any where,  
We should go on prepared,  
Why don't you borrow this?  
We could go all the way,

I don't want to go away, I feel you right now, x2

I don't want to go away, I feel you right now, x2

She doesn't know If I,  
We couldn't go away,

I could be this way  
I would help you,

But love... Bug I really just want to show you,  
I really just want to feel you,  
I really don't want to have to

But love... Bug I really just want to hold you,  
I really just want to hold you,  
I really don't want to have to

But I could be the best,
