Smile no problem, Jamaica

I smell the problems on my way  
I think it's not the first time  
I've been there  
Wrong situation makes me mad  
I hope it's an illusion  
War generation war generation  
It doesn't matter  
What's the color of skin  
If I could pick a color

It got to be green  
But when I hear the voices  
On the phone  
I hope it's not the blue one

Smile no problem Jamaica  
Life should not be taken seriously  
At many times it could be dangerous  
I can't believe that it is a part  
Of an everyday life.
