Verse

I'm leaving on a chain alone she waits for me
I live my life the way it's meant to be
So if it rides alone my friend
Then let all good things go to hate

Chorus

So please let my heart go
Please let all things flow
Look no further Ask no more dear
You're the pride of my life

Verse

Alone today she waits for me to stay in bed so I could
be

With

The pride my life but I feel like I should die in bed so
I could say this
Stay why don't you stay with me girl stay why must it be
This way
So please let my heart go
Please let all things flow
Look no further ask no more dear
You're the pride of my life.
