L.T., Uh, The nerve of this bitch

A bitch made purpose is to service a mac

Pussy just a piece of meat another means to eat
Bitches playin like the wayin so I stay in the game
Pimpin hard on these niggaz cuz they playin is lame
How i'm came at a ho is all a bitch gone know
What I won't, what I don't and where to put my dough
Back-talk get you slapped broad stay in yo place
I might get the hanger then make you lay on yo face
Trick guerilla for my scrilla ho you got to know
Chronic weed smoke the only thing I cop to blow
Gangsta-playa paper-chasin break a bitch like young
