Uh,... turned 2 11  
Put on the glove, give him a lethal weapon  
Lingerie and Jimmy shoes  
My definition of Heaven  
It's like a horror movie when she screams  
I make her come before she leave  
Cause I'm a...

Chorus:

I don't wanna be loved  
I don't wanna be loved  
I just wanna quickie  
No bite marks, no scratches, and no hickies  
If you can get with that, mammy come get with me  
I don't wanna be loved  
I don't wanna be loved  
I just wanna quick fix  
Up in your mix miss  
Send me you wish list  
I have you addicted  
So mammy come hit this

Uh, inside, outside, ra, ra, ra  
Fuck... na, na, na  
Send her... and rob a...  
This is for the ladies  
Mini skirt, mini coop, looking...  
I lay the pipe, strictly... you're so quicky, got on stage  
tonight!

Chorus:

I don't wanna be loved  
I don't wanna be loved

I just wanna quickie  
No bite marks, no scratches, and no hickies  
If you can get with that, mammy come get with me  
I don't wanna be loved  
I don't wanna be loved  
I just wanna quick fix  
Up in your mix miss

Send me you wish list  
I have you addicted  
So mammy come hit this

Don't be offended babe  
By what I say  
It's just a game  
And how I play  
Pillage and plunder  
Call me ya plan ma  
Knock on this wood  
Get rocked by this thunder [x2]

Chorus: [x2]  
I don't wanna be loved  
I don't wanna be loved  
I just wanna quickie  
No bite marks, no scratches, and no hickies  
If you can get with that, mammy come get with me  
I don't wanna be loved  
I don't wanna be loved  
I just wanna quick fix  
Up in your mix miss  
Send me you wish list  
I have you addicted  
So mammy come hit this
