i need to get some sleep  
i can't get no sleep.....

I know ladies love cool J but ladies love Ka-no  
i'm drivin them crazy they callin me Cee Lo  
you be my beyonce, got a big ego  
Kiss kiss, snap snap everywhere we go  
who is he,  
who is he  
who is he e e e  
Fresh and so clean you can call me Andre  
don't pay me 3000 just so they could one day  
rendezvous with me ???  
friends think there losin me  
to the party and the boozin me  
party and they all hit zeus with me  
but i'm the one thats in danger  
so dont doubt me, you don't know me  
the O, N, E and only  
but i'll fade to black coz the games phony  
when they owe me  
they say i owe them  
you'll never see a bad guy like this again

(chorus)

I'll be the topic of discussion in these niggers house  
you can hate on me i'll play the villain now  
they say kane where been, i say i been about  
a million miles from here thats where i been at  
i been searchin for my soul for a minute now  
who am i, shit im still try to figure out  
i lost five friends in five years since i been out  
two left and there aint nobody ? around  
man fuck the games i aint playin it  
dreams don't wanna wait for it  
my zone yeaaa i stay in it  
tryin run away from it  
its only coz the shoe fits  
only coz i layed my hat  
i'm here in the physical the spiritual aint comin back  
hopes gone missin, whip that on a poster  
couple am closer but me am like a loner

a persona-onglata who am a supposed to  
be if you don't love me then leave me alone

(chorus- i'll be the topic.....)

i need to get some sleep  
i can't get no sleep  
i need to get some sleep  
i can't get no sleep

i never make it worse  
i only want to make it better  
but everything i hear it hurt  
and eventually things got messed up  
but you changed, so did i  
through the same for a while  
and now i...  
i can't get no sleep.....

(chorus - i'll be the topic)

i can't no sleep
