She knows she wants it
She being stubborn
So I unleash the Shaggy Mr Lovin' Lovin'
I'm Superbad
I'm McLovin
I'll have them ladies coming
Just like a Milky Bar
'Cos they are on me
I'm on my techno
E-lec-tric
Dub-step-rep
London the whole MAP
I got cruel intentions
Call me Sebastian
I hypnotize 'em like I'm Biggie
Boyznoize on the track spin
Really ain't no accident
When we drop this shit and they OD
They get high off my bars like a fiend
Leaner away, we kill em with 16
The whole crowds off their face
Whole crowds off their face
Whole crowds off their face
All my mates are crazy
Get the party jumping right from 8 until its late G
All my mates are crazy
Get the party jumping right from 8 until its late G
She, She knows she wants it
So I unleash the Shaggy Mr Lovin' Lovin'
I'll have them ladies coming
Just like a Milky Bar
Get the party jumping right from 8 until its late G
Get the party jumping right from 8 until its late G
