### "Reload It"

This is,  
This is,  
This is what it means when DJs reload it,  
This is what it means,  
When DJs reload it ,  
This is what it means when DJs reload it,  
Reload it,  
DJs reload it ,  
DJs,  
DJs  
Reload it,  
It's Kano in the house,

*[Kano:]*

Look, nuff mc's just aint creative,  
They just remixed Kano's latest,  
Get a response and think they're rated,  
Don't spud and call me cuz, we aint related,  
Nuff DJs don't know the basics,  
Cut a few dubs, they think they made it,  
Played bare raves but they aint made shit,  
Listen to Mac and play the same bits,  
And nuff producers think they've made hits,  
Sold 500, they aint made hits (prick) ,  
It's the vocal that makes it and trying to charge a big  
girl to take it,  
Nuff promoters think their raves big  
And kids don't give a shit when their rave is,  
They're standing up but not raving ,  
They came to the front when Kano came in,

Living like K-A blowin up roads,  
K-A-N shottin like O's,  
I send the mandem out of control,  
But I got the girls all over my flow ,  
But a lot of people don't know about me,  
I can spit like an old school MC,  
A-B-C, One-Two-Three, K-A-N-O lyrical G,  
You don't believe me,  
Let me call lee, let me call danger, let me call dean,

They know I'm that lyrical team and I eat the tracks like  
edible beans,  
K-A I'm a bad boy though ,  
I'm a real bad boy ,  
Bad boys know that ,  
You cant fuck with the bad,  
Bad bda bda bad bad bda bda,  
Bad boy flow coz,

This is what it means when DJs reload it,  
That sixteen was mean and he knows it,  
Double gets a lot and Wiley gets a lot of reloads,  
Tinchy gets nuff and Demon always gets reloads,

This is what it means when DJs reload it,  
That sixteen was mean and he knows it,  
Ghetto gets a lot and Scratchy gets a lot of reloads,  
Hyper gets nuff and Lethal always gets reloads,

Look, you can't tell me nothing, I aint havin it,  
If I see somethin I like, f\*\*k it I'm havin it,  
And we can go back 2 back but believe I'll have it,  
And the DJ knows it coz that's why he jacks it, oh f\*\*k it,  
Back me up,  
I make love music,  
And I make thugs music,  
I make club tunes so DJs in the club use it,  
Windows steamin up, when the best MCs are teamin  
up,  
We make people say (brap brap brap brap),  
And DJs wheel it up,

Yo,  
K to the A,  
K to the A to the N to the O,  
I know that you people already know,  
I get a reload purely for the flow,  
Give me that stage and a microphone,  
A beat and that's my time to glow,  
I know that the ladies like my flow ,  
They put their number inside my phone,

*[D Double:]*

Yo d double spittin this shit 4 real I keep it real,

*[?]*

You want to steal my skill,  
You must not know me still,  
I get the tune *[?]*,

*[?]*

Let's play a game called reloads,  
Let's see who can get the most reloads,

Big dances [?] Gets reloads,  
Sidewinder, you have to get reloads,  
U don't want to bring arms house, is a reload,  
When I see the gash, I get a reload,  
[?] Buss that, yea that's a reload,  
Pissed off coz you don't get no reloads,

[Kano:]

That's a minor ,  
Bun down the rave when I come and quick time-r,  
Got the crowd singin along like 1 line-r,  
Got the right lyrics you know I'm a tight rhyme-r,  
Nuff love style-r,  
Ruff like ride-r,  
Gwan like you're bad and you don't even get a wheel-  
up ,  
You don't sex no gyal you only get feel-ups ,  
Get left behind you MCs need to speed up  
Kano will have your whole team up.
