When I was very young, so many songs were sung  
So much wasted time on an uphill climb  
But you were always there, a feeling in the air  
There was nothing to fear you were so near  
Now you are here once again, yeah

As I stand in your presence  
I can feel quiet patience on your gaze  
Like an old superstition  
You are haunting all my dreams an' waking days

All my life I knew you were waiting, revelation  
anticipating  
All is well, the searching is over  
Let the truth be known, let it be shown

There's no resisting you among the chosen few  
It's so hard to be sure, it's so hard to endure  
And when I hear your voice I know I have the choice  
To pursue an ideal, something so real  
Now I've got nothing to lose

As I see your reflection  
All the answers I desire, become so clear  
Like a page that is turning  
I can look into the future without fear

All my life I knew you were waiting, revelation  
anticipating  
All is well, the searching is over  
Let the truth be known, let it be shown

You're in my rock and roll, you're in my very soul  
Though it's heavy to bear, it's a feeling so rare  
And it's a mystery, the way it's meant to be  
Can we ever know, we're moving so slow

There ain't enough time in the world  
As I reach up this ladder, there is something ever  
higher to perceive  
Like a fire that is burning, in my heart I know I surely  
must believe

All my life I knew you were waiting, revelation  
anticipating  
All is well, the searching is over  
Let the truth be known, let it be shown  
Please give me a glimpse of home
