"Can I Tell You"

Can I tell you something?
I got to tell you one thing
If you expect the freedom
That you say is yours
Prove that you deserve it
Help us to preserve it
Or being free will just be
Words and nothing more

Can I tell you something?
I got to tell you one thing
If you expect the freedom
That you say is yours
Prove that you deserve it
Help us to preserve it
Or being free will just be
Words and nothing more

Can I tell you something?
I got to tell you one thing
If you expect the freedom
That you say is yours
Prove that you deserve it
Help us to preserve it
Or being free will just be
Words and nothing more
