1000 years could come and go
And we would never change
It doesn't matter how we try
Our hearts remain the same

You see how quickly distance grows
Close your eyes and it appears
And we've pretended long enough
No more time, no more tears

I just can't cry, I can't cry anymore
While you throw our lives away
Throw them away

Something happened long ago
And we grew apart
We turned our heads the other way
And so we turned our hearts

But girl, I'm not blaming you
And I'm not blaming me
It's just the way the story goes
We grew up but separately

I just can't cry, I can't cry anymore
While you throw our lives away
I just can't cry, I can't cry anymore
Throw them away

I just can't cry, I can't cry anymore
While you throw our lives away
I just can't cry, I can't cry anymore
Throw them away

I just can't cry, I can't cry anymore
While you throw our lives away
I just can't cry, I can't cry anymore
Throw them away

Throw them away
