Some of you may know me
and many of you won't
I am just a player
in the band

Some of you will listen
and some of you will hear
Some of you may laugh at me
and some of you will cheer

'Cause all of us
we are an audience
Looking for evidence
to help it all make sense

(chorus)
Have we left the answers far behind?
Are we running from the light?

And our legs are growing weaker
chasing shadows in the night

Tell me have you noticed
the tide is rolling in
The waves are crashing harder now
the shore is wearing thin

The message in the bottle
has been lost at sea
But the words live on forever
it's meant to be

(chorus)
