Underneath the sky of blue, it's a time of choosing
Everybody's holding on, to what they're losing
But it all works out okay, if you give your life away
To the one who's holding fast, it's a promise that will
last

You're caught in a crossfire
Of a greater love than man has ever known
Caught in a crossfire
And you've got to choose which way you're gonna go
Caught in a crossfire
In a world of darkness turn to the light

Time's disappearing, all that you're fearing
Dreamers awaken, chances are taken away

There isn't any in-between, there's no escaping
If you step across the line, it's illuminating
And the words are clear and true and they all were
meant for you
For you harvest what you sow, so where you gonna go

You're caught in a crossfire
Of a greater love than man has ever known
Caught in a crossfire
And you've got to choose which way you're gonna go
Caught in a crossfire
In a world of darkness turn to the light

There's no pretending, no other ending
All is forgiven, if you are living a new

Everybody faces it, now or later
You can't get around it, 'cause it's human nature
And deep within the hardest heart
There is something there that knows
There's a hunger life can never fill
Till you face the one who rose

You're caught in a crossfire
Of a greater love than man has ever known
Caught in a crossfire

And you've got to choose which way you're gonna go
Caught in a crossfire
In a world of darkness turn to the light

Time's disappearing, all that you're fearing
Dreamers awaken, chances are taken
There's no pretending, no other ending
All is forgiven, if you are living a new, living a new
