Ah, look at all the lonely people  
Ah, look at all the lonely people

Eleanor Rigby picks up the rice in the church  
Where a wedding has been, lives in a dream  
Waits at the window, wearing the face  
That she keeps in a jar by the door, who is it for?

All the lonely people  
Where do they all come from ?  
All the lonely people  
Where do they all belong ?

Father McKenzie writing the words of a sermon that no  
one will hear  
No one comes near, look at him working  
Darning his socks in the night when there's nobody  
there  
What does he care?

All the lonely people  
Where do they all come from?  
All the lonely people  
Where do they all belong?

Ah, look at all the lonely people  
Ah, look at all the lonely people

Eleanor Rigby died in the church  
And was buried along with her name, nobody came  
Father McKenzie wiping the dirt from his hands  
As he walks from the grave, no one was saved

All the lonely people  
Where do they all come from?  
All the lonely people  
Where do they all belong?
