Look in the mirror and tell me
Just what you see
What have the years of your life
Taught you to be
Innocence dying in so many ways
Things that you dream of are lost
Lost in the haze

Hold on
Baby hold on
'Cause it's closer than you think
And you're standing on the brink
Hold on
Baby hold on
'Cause there's something on the way
Your tomorrow's not the same
As today

Don't you recall what you felt
When you weren't alone
Someone who stood by your side
A face you had known
Where do you run when it's too much to bear
Who do you turn to in need
When nobody's there

Hold on
Baby hold on
'Cause it's closer than you think
And you're standing on the brink
Hold on
Baby hold on
'Cause there's something on the way
Your tomorrow's not the same
As today

Outside your door, he is waiting
Waiting for you
Sooner or later, you know
He's got to get through
No hesitation and no turning back
Let it all go and you'll know

You're on the right track

Hold on

Baby hold on

'Cause it's closer than you think

And you're standing on the brink

Hold on

Baby hold on

'Cause there's something on the way

Your tomorrow's not the same

As today
