Give me your answer let me know today
I'm searching in wonder you're making me pay
I need you 'cause my life's turning grey
Oh, it's you, Oh I'm blue
You left a message to say you had fled
Couldn't believe that you wrote what I read
I couldn't count all the times I have said

Oh, it's you, Oh I'm blue
Love make my day
Show me the way
Give me your answer let me know today
I'm searching in wonder you're making me pay
I need you 'cause my life's turning grey
Oh, it's you, Oh I'm blue
