Silhouettes debate then they test their fate  
Pride is on the line the signs are dangerous  
Hands too number to feel wrapped around the wheel  
Tonight they face the fact some are never coming back

Silhouettes in Disguise leather hearts lawless eyes  
Dancing shadows over rock and under fire  
Some will cry "table's turned."  
Some will die but none will learn  
Silhouettes in Disguise crash and burn.

They pick the time and place then they fall from grace  
They're riding on a rail trying to chase the dragon  
Engines never cool trade their sins for fuel  
That's what they're running on  
When they're blown to kingdom come

Silhouettes in Disguise leather hearts lawless eyes  
Dancing shadows over rock and under fire  
Some will cry "table's turned."

Some will die but none will learn  
Silhouettes in Disguise crash and burn.

Silhouettes in danger on the wrong side of the tracks  
Eye to eye. Eye to eye.  
Rising up in anger. Disguising their attacks  
On the edges of the world.

Silhouettes in Disguise leather hearts lawless eyes  
Dancing shadows over rock and under fire  
Some will cry "table's turned."  
Some will die but none will learn  
Silhouettes in Disguise crash and burn.
